PARENT & EDUCATOR LEARNING GUIDE

How to Maximize Bilingual Growth with Mrs. B

★ The 4 Golden Rules for Home & Classroom Practice

1. 10–15 Minute Micro-Sessions:

Keep daily sessions short, playful, and joyful. Focus on one 5-page unit per week.

2. Talk Before You Color ("SEE & SAY" First):

Always model the oral sentence frame ("I feel happy", "This is my mom") before coloring.

3. Home-Language Validation (Kreyòl / Español / Français):

Celebrate answers in your native home language first, then bridge to the English frame.

"Ou fè yon bèl travay! You did a wonderful job!"
